

G. Bannon Receives Six Months Sentence

New School Opens In Minden

On Monday, October 16 a good crowd witnessed the official opening of the new Archie Stouffer public school. Mr. Frank Waters, chairman of the board, presided.

After singing O Canada Mr. Waters gave a few details of the cost, construction and time consumed by members of the board, architects, contractors, etc.

The presentation of the keys from Mr. M. J. Finn, contractor, to Mr. E. Barnett, architect, to Mr. Frank Welch, trustee, to Mr. W. E. Berry, custodian, to Mr. Harold Morgan, principal, then took place, each person saying a few words.

The dedication was given by Rev. T. Gracie with the audience responding to the litany, followed by prayer.

Mr. Ralph Hussey, music supervisor, conducted a group of the senior students in three vocal numbers.

Mr. Nelson Ward, inspector of public schools, spoke to us and then introduced Mr. Archer Stouffer, after whom our school was named.

Mr. Stouffer, a resident in this district for many years, told a few of the highlights during his years as inspector in this area, including a lengthy winter trip to Wilberforce, which included a boat ride across the Gull River, a motor car ride to Haliburton, then by train and jigger to his destination.

Mr. Stouffer also said that a reproduction of one of Franz Johnson's pictures will be given to the school but it had not arrived in time for the opening.

Miss Donna Trepanier presented a beautiful bouquet of carnations to Mrs. Archie Stouffer followed by a delightful solo by Mrs. E. Stouffer.

Mr. Frank Waters then introduced the guest speaker of the evening, Hon. Leslie M. Frost, Premier of Ontario.

Mr. Frost delighted us with many incidents of his years in the field of education, legal administrations, etc., bringing back many pleasant memories to the audience. He also told the pupils, teachers, trustees and inspector that because of the new school he would declare a school holiday to the Minden area on Friday, October 20, 1961. This, of course, was very welcome news to all boys and girls present.

Mr. Lorne Coburn very ably thanked the speaker for giving his time for this occasion.

Miss Colleen Hewitt played a piano solo, Beethoven's Sonatina in G. Colleen is to be highly commended on her rendition.

The platform party, after all introductions were completed, went to the main foyer of the school where Master Bobby Dudman presented Mr. Frost with scissors for cutting the ribbon.

Mr. Frost remarked since the school was named the Archie Stouffer public school he wished Mr. Stouffer to assist him in this ceremony.

Mr. Frost then presented the scissors to Mr. Stouffer as a happy remembrance.

In August 1960 on Highway 35 three miles north of Minden, Gerald Bannon, aged 23, of Haliburton, while driving a 1959 Pontiac, the property of a rental agency, the subject of a stolen car search with Bannon wanted in connection, was involved in a fatal motor accident.

On the day of question Bernard Reynolds Marsales, aged 73, from West Flamboro, Ont., was driving a Mercedes Benz in a southerly direction when he was met head-on by a car driven by Bannon on Marsales side of the road.

Prior to striking Marsales car Bannon hit a 1958 station wagon driven by James Finlay of Fonthill, Ont., approximately 50 feet south of the collision which resulted in the death of Mr. Marsales.

Two passengers were with Bannon at the time of the accident, Anthony and Bernard Baczkowski, aged 20 and 21 respectively of Pennsylvania.

These young men were employed at Medley's at the time of the accident.

On Monday of this week Bannon appeared in the Supreme Court of Ontario, Lindsay autumn assizes presided over by supreme court justice M. King.

When crown evidence was presented to a grand jury consisting of five men and two women who after hearing the evidence of five witnesses returned a true bill.

On Tuesday, Mr. Richardson of Lindsay, counsel for the accused, brought in a motion for a plea of guilty of an included offence under section 221 of the Criminal Code which is in effect "operation of a motor vehicle which causes death."

As a result of this the case proceeded and as a result of hearing six crown witnesses the supreme court judge convicted and remanded Bannon until November 2 for sentence.

On Thursday morning, November 2 the accused was sentenced to imprisonment for six months. Also his driving privileges were canceled for three years.

Weather Report

Period October 1-31
Highest temp., 75 deg., October 7.
Lowest temp., 26 deg., October 23.
Average max., 59 deg.
Average min., 44.4 deg.
Total rainfall 1.49 inches.
There were 15 days in the month clear and sunny.
Color was unusually late—at its peak on October 12-13.

C.A.S.O. GALA DANCE

The Haliburton branch of the Civil Service Assn. held their annual masquerade dance and draw at the Legion hall on October 28.

Judging of costumes proved quite interesting, there being a great range in color and variety.

First prize winner of the draw was Ty Irwin, a 30-30 Winchester; second prize of electric food mixer to Florence Dack of Tory Hill and third prize, an outdoor barbecue, to Lorne Stewart, Haliburton.

Poppy Week November 4-11

People throughout Canada have recently been celebrating the Thanksgiving period with a special day set aside as a time for us to meditate and count our many blessings.

As we contemplate our blessings, however, our thoughts will tend to deviate a little and we find ourselves considering the plight of our many less fortunate comrades, the ones with the invisible disability, the man who bears no outward scars and who apparently came through unimpaired and is not a pensionable or treatment case, but one who requires sympathetic aid and financial assistance.

These are the comrades the late Field Marshal Earl Haig had in mind when someone came up with the idea of utilizing the poppy for sale as an "emblem of remembrance" and as a means of raising funds to alleviate the suffering of comrades in need.

The idea was quickly acted upon and over the years the Flanders poppy replica has achieved the first and greatest purpose of remembrance—remembrance of those thousands who sacrificed their lives on the altar of freedom and has been the means of fulfilling two other most worthy purposes.

The manufacture of the poppy replicas has been concentrated in the hands of men who were broken by the conflict and who are unemployable in the exacting conditions of ordinary commerce, and can find in the manufacture of these little flowers a sacred and congenial task.

No less significant is the third objective—the distribution of these symbolic emblems each year as a means of accumulating funds in local centres which serve the splendid purpose of bringing relief to the distressed and disabled among those who fought, and their dependents. Thus the Flanders poppy brings "aid for the living from the dead."

The need is even greater than at any time previously and the Haliburton poppy committee is again appealing

Composite School Here Possibility

Approval has been obtained by the Haliburton County District High School board for the operation of a composite school here. We might add that this might be called a technical school only on a smaller scale.

The need has long been felt for a school which would teach something more than academic subjects. In other words we need a school which would enable those who preferred to learn a trade.

If approval of the department is received work would go ahead on the construction of buildings which would

house heavy shops with the possibility of training young men in auto mechanics, machine shop work, carpentry, mill work and electrical work. Drafting and the full commercial course of four years could also be taught.

We should stress that as yet final approval has not come through for the buildings to house the shops but there appears to be every indication that such approval will come. We have been informed that should such buildings be approved the entire cost would be carried by the federal and provincial governments.

Retarded Kids Need Support

This Saturday, November 4, the Retarded Children's Association of Haliburton County are holding a rummage and bake sale in the Haliburton Legion hall from 10 a.m. to 9 p.m.

This recently formed organization has already formulated plans for the operation of a school here for the retarded children and soon hope to open the doors.

This great forward step in our county needs money to operate and your support is asked at the coming sale.

We are sure you will find many interesting items at the Legion hall and Saturday. Remember, this is possibly one of the greatest needs in our county as far as the children are concerned. The efforts of the association are to be highly commended.

For public support of this most worthy of all causes.

Poppy week begins on Saturday, November 4 with the sale of poppies and wreaths. Won't you wear a poppy during this week of remembrance? Saturday, November 11 has been proclaimed "Remembrance Day" throughout Canada and remembrance service will be held at 11 a.m. at the Haliburton war memorial.

TO OUR READERS

Owing to lack of space we regret that we are unable, this week, to run the chapter of "In Quest of Yesterday." This fine series written by Mrs. Nila Reynolds, will be continued next week.

Cub And Scout Annual Banquet

Once again, at the end of a busy tourist season, one of our fine Haliburton resorts played hosts to the local Boy Scout troop and the Cub pack under their leaders and graced by the fathers of many of the lads. It was a pleasant evening and Halimar lodge with its new swimming pool and its wonderful view of Lake Kashagawigamog was an ideal setting for a very happy occasion.

The meeting was called to order by Frank McIntyre who led the group in the National Anthem, after which 60 young and keen appetites did full justice to a delicious meal provided by the Henrys. After dinner, Stan Hill, scout master, and Len Salvatori, our Cub Akela reported on the activities of each group and Mr. Hill made a presentation to Johnston Bailey who has become troop leader and to Pe-

(Continued on Back Page)

HALIBURTON NEWS LETTER . . .

Hallowe'en night, as usual, was celebrated for the most part in a fitting fashion. A party was held at the Molou theatre under the auspices of the Haliburton Rotary club which afforded our young boys and girls a chance to show their Hallowe'en attire. Some of the costumes certainly reflected credit and originality of the designers. Despite the ever watchful eyes of our O.P.P. staff who were ably assisted by the firemen of Haliburton village, it does seem to be impossible to have this occasion pass without some suffering considerable property damage. This damage is usually incurred between two and three o'clock in the morning and it is not funny for those who have, by honest toil, built themselves a home and try to keep it half ways respectable, to have people wilfully damage their hard won possessions. The great majority of the youth are satisfied with harmless pranks but we certainly have

a few who can be very destructive.

George Wheeler, conductor of the Band of the Royal Canadian Legion here, has been appointed assistant conductor of the Muskoka District Concert Band. Mr. Wheeler has played soprano clarinet with the Muskoka band for the past two years. The conductor of the Muskoka band is Dr. L. Sargeant of Huntsville, formerly director of the Queen's University band, Kingston.

We note that the water in Head Lake is going down day by day and unless we are to get a lot of rain our lakes may hit an all time low. All the logs have been pulled at the dam at Moore's Falls—at least they were on Saturday when we passed by. But there is one consolation, there is lots of water in the Trent canal and after all that is the main consideration.

We have been informed that a school for retarded

children is to be started in the religious education centre of the Haliburton United Church. This is one of the most worthy projects that we know of and those responsible for the move are to be highly commended.

A good motion picture will still attract great crowds of people. This was proven last week when Ben Hur was showing at the Molou theatre. This great product of the movie studios drew hundreds of citizens from far and near. Incidentally if you miss seeing it here it is to be shown in Minden soon. Note the advertisement for the dates.

A draw was held recently at the Orange hall in Haliburton in aid of the building fund of the Maple Lake Orange lodge. The first prize of \$50 went to Mrs. Herbert of Ottawa. The second prize, which was a guilt, to Grace Langsheer of Morrisburg and the third prize went to Claude Fader of Lindsay.

LOCHLIN

Mr. and Mrs. Alvin St. Peter of Eldon Station were Sunday visitors of Mr. and Mrs. Raymond Congdon.

Mr. and Mrs. Orville Hicks accompanied by Mrs. John Francis, Ivan Francis, Ivy and Don spent last week end with Mr. and Mrs. Alex Essler of London.

Mr. and Mrs. Cecil Burk were week end visitors of Mr. and Mrs. Jack Dart of Oshawa.

Mr. and Mrs. Ken Harrison and infant daughter Katherine Ann spent the week end with Mr. and Mrs. Geo. Exon.

Mr. and Mrs. Jim Minaker and Mr. and Mrs. Ted Francis were Sunday visitors with relatives in Lindsay.

Mr. and Mrs. Weldon McPhail, Jim, Carol and Aubrey of Agincourt spent the week end with relatives in the village.

A number from here called on Mr. and Mrs. Percy

Burk on Sunday afternoon and evening on the occasion of their 40th wedding anniversary.

Mr. and Mrs. Murray Wruth and family and Mr. and Mrs. Jim Wruth were

Sunday visitors of Mr. and Mrs. Roy Stackhouse of West Guilford.

The public school children held a successful Hallowe'en party in the school last Friday evening.

How to own two cars and still make ends meet.

Buy two Volkswagens. You go your way. She goes her way. And your budget won't know the difference.

Here's why: two Volkswagens will cost you less than one conventional car.

Think we're kidding?

Let's get serious:

The VW gets 38 miles to a gallon of gas. (More on the highway, a little less in traffic.) You'll never add oil between changes, and when it is time for a change, four and a half pints will do it.

You'll never need anti-freeze because the VW has no radiator. The engine is cooled with air. (Don't worry if you have two Volkswagens and one garage. The VW can't freeze.)

A Volkswagen can be repaired faster for less money. For example, we don't replace half the car to correct a crumpled fender. We can bolt on a new one in minutes.

You may be surprised how little it costs to buy a Volkswagen.* We've been able to keep the price low

because we never change the basic VW design. We just keep making it better.

Any dealer who sells two cars for the price of one deserves recognition. And a visit.

*Toronto Port of Entry Price of \$1695 includes front bucket seats, spare wheel and tire, heater/defroster, tool kit and jack, windshield washer, two padded sun visors, directional signals and bumper over-riders.

Trade between nations is a two-way street. West Germany is one of Canada's best customers. And every Volkswagen sold in this country helps Canada to sell Germany more Canadian goods.

HALIBURTON

Mr. and Mrs. Jack Ferriman of Owen Sound were visitors in Haliburton over the week end.

Mr. and Mrs. George Wheeler have returned home after spending last week visiting friends and relatives in Elkhart, Ind., and Chicago.

The friends of Mrs. Jessie Fiske will be glad to know that she is making an apparently slow but sure recovery and as we write indications are that she will regain her normal health.

Mr. and Mrs. Wesley Otto have returned home after spending a short holiday in the city.

Sorry to report that Jack Lyons is back in Sunnybrook hospital undergoing treatment. Jack has really had more than his share of hospitalization and his friends hope that the treatment he is now receiving will be instrumental in helping him regain his health.

Constables Adrian Whitfield and Chris Cowen of the RCMP were visitors to Haliburton recently enroute to St. Johns, Newfoundland.

Mr. Earle Casey we regret to say at time of writing, is still undergoing treatment in St. Michael's Hospital, Toronto and we do hope that his health will improve sufficiently for him to resume his work as secretary-manager of the Dysart telephone system.

Mrs. Miriam Lyons and Mrs. Anna Jones were visitors in Toronto over the week end.

Creighton Feir is in Peterboro Civic Hospital at time of writing which means that we are short staffed at the Echo, so if we are a little late this week you will understand the reason.

CARNARVON

Mrs. Kay Clark of North Bay is visiting with the Medley's.

Mr. Al Miscio is staying in Hamilton with Mr. and Mrs. Andy Marranca.

Mr. and Mrs. Alex Hewitt, Mrs. Hussey and Ralph, Mr. and Mrs. Geo. Cowen and Pat, L.R. and Mrs. Hal Burton, Mr. and Mrs. Stan Archer and Mr. and Mrs. Stuart Dawson were in Oshawa for the wedding of Will Hewitt and Carol Jamieson which took place in King St. United Church followed by a reception at the Genosha hotel from where the happy couple left for a honeymoon in California.

Mr. and Mrs. Hal. Burton attended the wedding in Paris, Ont., Saturday, of Miss Marie Burton to Mr. Nelson Harrison.

Mr. and Mrs. Vernon Rivers were guests during the week end of Mr. and Mrs. Stan Archer.

Mr. Orville Harrison has been recalled to General Motors in Oshawa.

Mr. and Mrs. Roger Harrison and Lisa of Oshawa were week end guests of the Burtons.

ALWAYS LOOK TO IMPERIAL FOR THE BEST

A New World of Worth from Chevrolet

New Impala Sport Sedan — fresh-shaped elegance with Body by Fisher craftsmanship.

Jaunty new beauty with a road-gentling ride! JET-SMOOTH '62 CHEVROLET

In came the new '62 Chevrolet — and out went the days when you had to plunk down a big bundle to ride around feeling like a king.

Look at that fresh styling — clean, graceful, tasteful, isn't it? Imagine opening one of those big solid doors, slipping in, sinking down in those sofa-wide seats and taking in the rich new decor. Now, you switch on your engine—a fuel-shy 135-hp. Six or your choice of new V8 vigor up to an optional-at-extra-cost 409-hp. whirlwind — and go, man, go.

Isn't that Jet-smooth ride something, though? At each wheel a big steely coil spring turning the road into cream

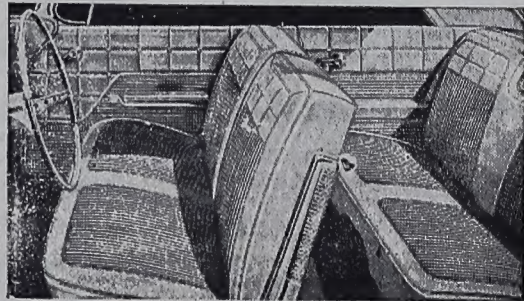

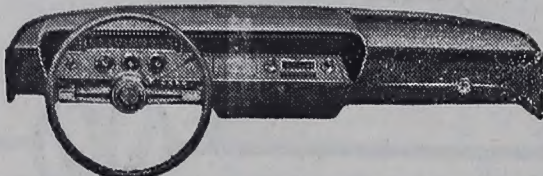

and over 700 sound and vibration insulators turning the car into one big quiet zone.

Ahead of you are front fenders with steel undershirts that give extra protection against rust, slush and stones (what won't our engineers come up with next!). Behind you there's that goods-gobbling deep-well trunk. And, in between, you'll find one fine car feature after another, along with Body by Fisher quality.

Really, about the only thing the new Jet-smooth '62 Chevrolet leaves to be desired is—a prompt powwow with your Chevrolet dealer. Whitewall Tires Optional at Extra Cost

And inside—beautiful new ways to bolster your pride!

The Impala Sport Coupe interior, at right, shows just a sample of how Chevrolet makes you more than pleased and proud of your exciting new '62 car. Deep soft seats. Thick deep-twist carpeting. Plush new upholstery in a host of new color combinations. And, of course, you're surrounded by the unmistakable, and unbeatable craftsmanship of Body by Fisher. When Chevrolet gives so much, who needs pay more? See your Chevrolet dealer today!

LETTERS to the EDITOR

Dear Sir:

The Royal Canadian Legion has been for some time, gravely concerned because so many people in Canada have seemingly forgotten that the blessings and privileges we enjoy were gained and retained only because thousands of Canadian men and women paid the supreme sacrifice during time of wars.

This concern was voiced at the recent provincial convention in Hamilton, as a consequence of which a resolution was unanimously adopted, the text of which is as follows:

"Be it resolved that Ontario provincial command of the Royal Canadian Legion

do again make representations to the government to have November 11 declared a statutory holiday to be set aside for the remembrance of our war dead and disabled veterans.

"And further be it resolved that the Ontario command request by circular letter that all branches and zones publish press announcements and make personal representations to municipal governments, retail, wholesale and industrial establishments within their confines to hold November 11 as a closing day."

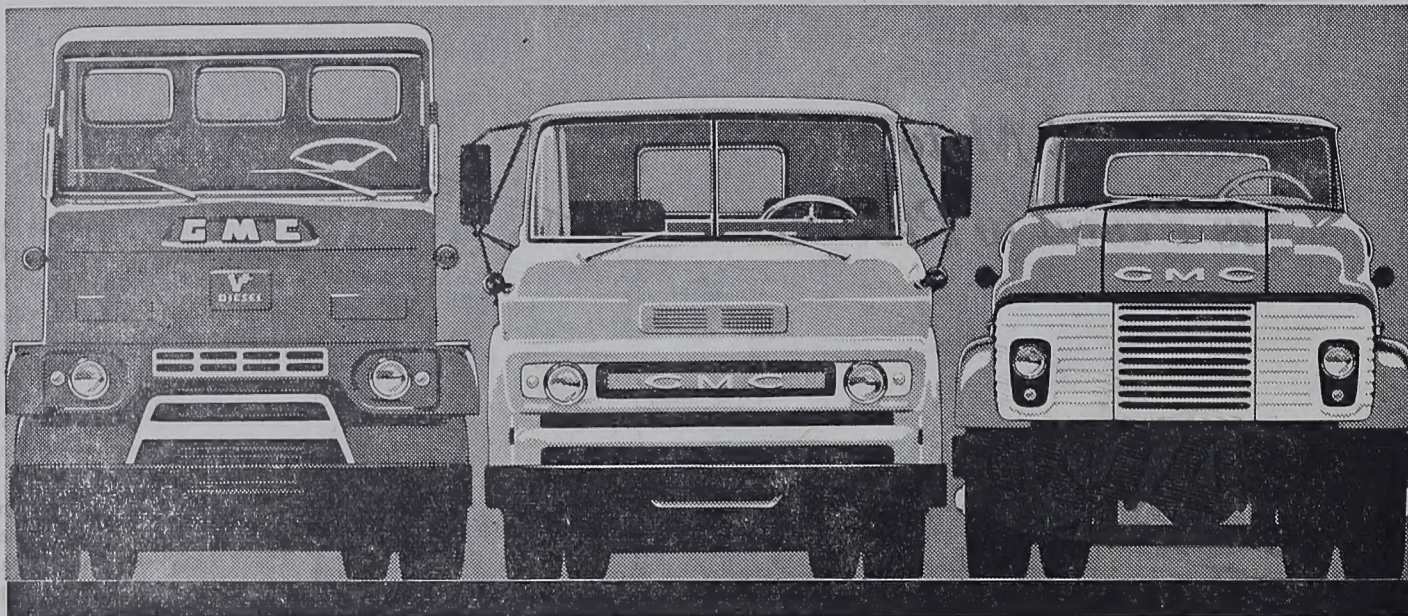

Haliburton branch is in full accord with the foregoing resolution and strongly

**The Echo
Phone Number
Is 350W**

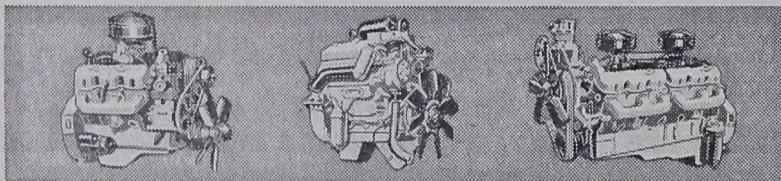

urge that all concerned will co-operate in order that, ultimately, Remembrance Day may be observed in a fitting manner by all peoples in Canada to honor and remember those to whom Canada owes a debt which can never be repaid.

Yours truly,

Geo. Brennan, secretary,
Branch 129,
Royal Canadian Legion.

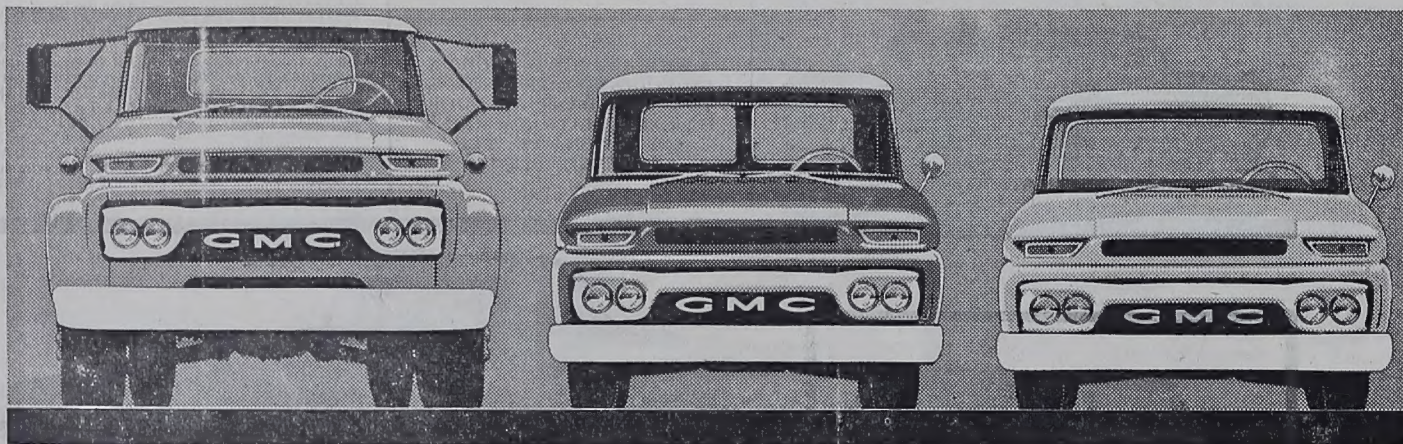

ANNOUNCING GMC TRUCKS FOR 1962 WITH BUILT-IN BONUSES

What a line-up of power there is for you in GMC's extensive range of top-performing engines! Two sturdy Sixes—famous for economy and reliability . . . four powerful V8's . . . revolutionary V-6's and Twin-Six . . . famous GMC 2-cycle Diesels, giving you more ton-miles per gallon . . . all of them working for you day in, day out all through the year.

Now those great predictions for the "Truck Triumph of the Sixties" really pay off in built-in bonuses—in every GMC truck for '62! A bonus of owner-proved, job-tested features! Bonuses of more hours of continuous hauling . . . bigger payloads . . . safer, sounder returns on investment! Bonus of style, economy, performance, of on-the-job reliability!

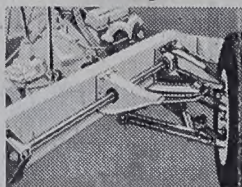

And what a wealth of tried and true features you'll find in these new '62 GMC's! Features proved and improved through constant, careful engineering and testing . . . features to save you money, to give you the outstanding dependability you expect from GMC!

Yes, proven dependability features are the keynote of GMC for '62! Take GMC's range of powerful, economical engines, for example . . . or the rugged I-beam front suspension on heavy duty models! GMC's wide range of models! In Heavy-duty there's the 48" aluminum tilt-cab, the 72" steel tilt-cab, job-matching 105" conventionals—plus the widest selection of 90" conventionals in the industry! In Light- and Medium-duty, another complete range of distinctive, prestige-styled models!

GMC brings you a host of other features built to save you money, too! Examples: independent front wheel suspension with torsion springing, double-wall cab construction, rugged frames, longer-lasting chip-resistant finishes.

A GENERAL MOTORS VALUE

**Handling Bonus: greater stability
with improved suspension**

GMC's independent front suspension with torsion springing gives fatigue-free ride, protects the load—makes handling a breeze!

See your GMC dealer soon—he's got the full bonus facts for you on GMC for '62—the Trucks with Built-In Bonuses!

WEDDING

Stephen - Roberts

St. George's Anglican Church, Haliburton, was beautifully decorated for a lovely autumn wedding on Saturday, October 7 at 4 p.m. when Carol Patricia Roberts, daughter of Mr. and Mrs. Lee Roberts became the bride of George Stephen, son of Mr. and Mrs. George Stephen, Toronto.

The Rev. John Taylor performed the double ring ceremony with Mr. Bill Gliddon acting as organist. Miss Betty Barnum, soloist, sang "The Lord's Prayer" and "O Perfect Love."

Given in marriage by her father, the bride looked lovely in a floor length gown of chantilly lace over white satin and net. It featured a fitted bodice, scalloped neckline, pointed sleeve and a very full skirt with train. A crown of seed pearls held her hip length illusion veil and she carried a cascade of red sweetheart roses and baby mums.

Maid of honor, Mrs. Myra Everall, sister of the bride, wore a short full skirted dress of lark green satin with chantilly lace over bodice and matching headband.

Bridesmaids were Mrs. Faye McDonah, sister of the

bride and Mrs. Doreen Murray, sister of the groom. They wore identical dresses of gold satin with matching heatbands.

Junior bridesmaid, Miss Lynda Taran, niece of the bride, wore a matching dress of pale green satin. All carried bouquets of baby mums and roses.

The groomsman was Mr. George Barkey, a friend of the groom and ushers were Mr. Roy Roberts, brother of the bride and Mr. Mike Fortin.

The bride's mother wore a mauve brocade dress with beige accessories with a corsage of white roses. The groom's mother chose a tan

suit dress with brown accessories and a corsage of yellow roses.

Following the wedding a reception and dance was held at Bonnie View inn where 100 guests sat down to dinner. Mr. Merv. Everall, brother-in-law of the bride, acted as toastmaster.

Many beautiful gifts were received.

The bride chose for traveling a brown wool suit with mink collar, brown and beige accessories and corsage of yellow roses.

The happy couple left on a trip through Quebec and the New England states.

On their return they will reside in Toronto.

Be your own best friend...

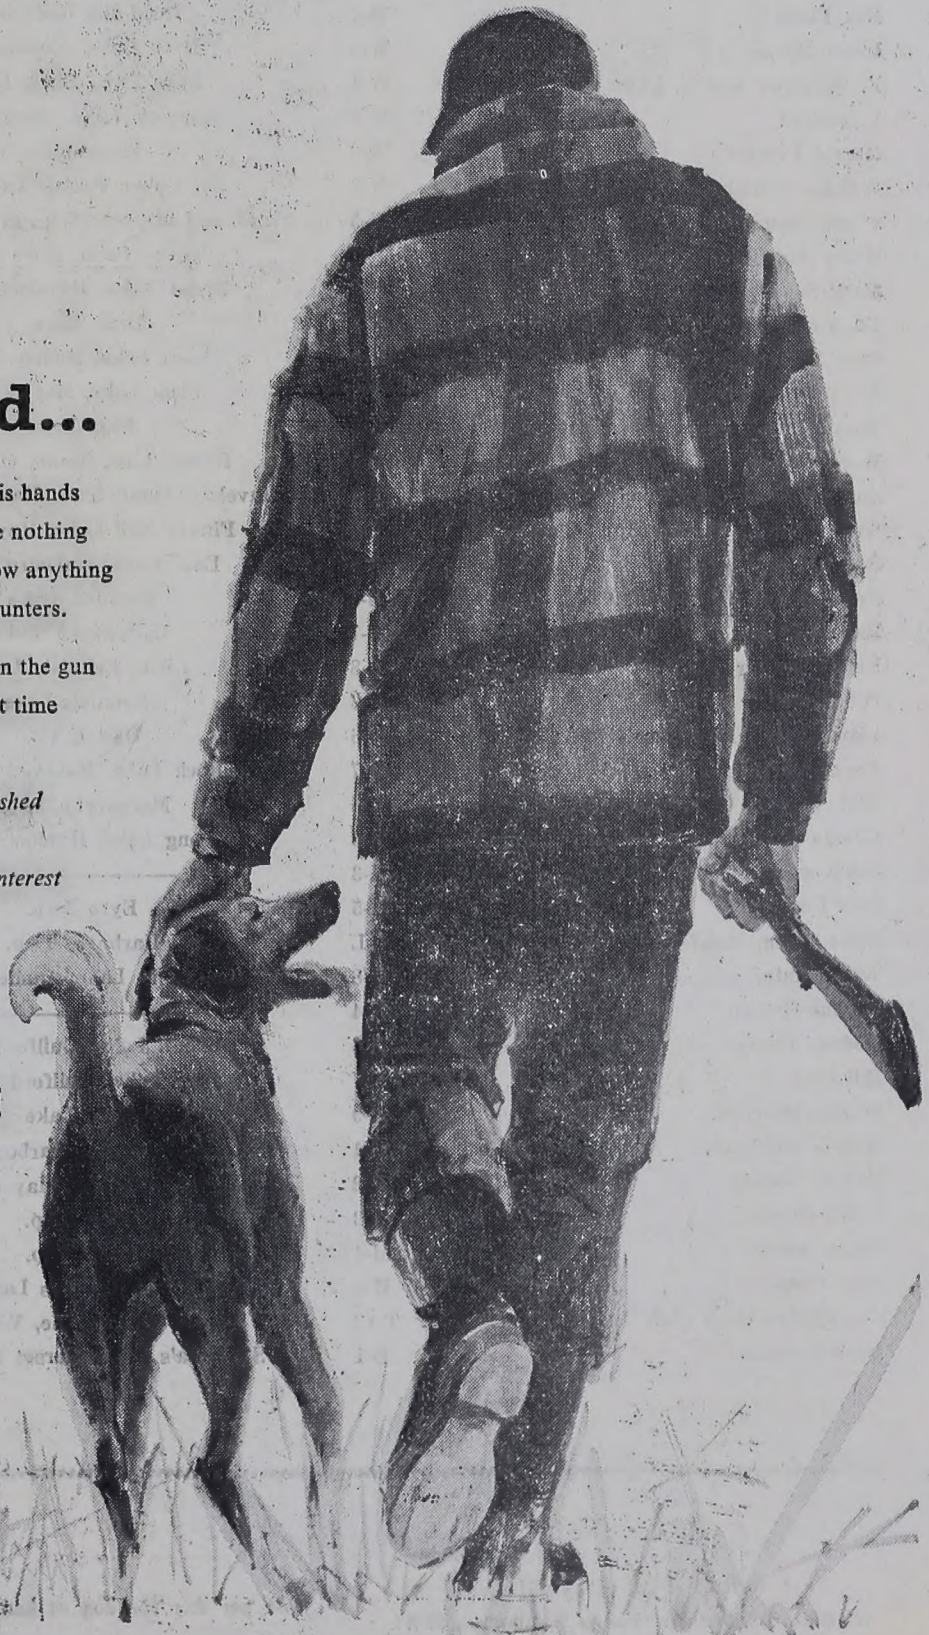

A sportsman with a loaded shotgun or rifle in his hands has got to be his own best friend. He must leave nothing to chance. Never, not for an instant, can he allow anything to endanger the safety of himself or his fellow hunters.

Only when the day's shooting is done, only when the gun is empty and back in the rack . . . only then is it time to enjoy the pleasures of social relaxation.

For many years The House of Seagram has published messages advocating Moderation in all things, including the use of whisky. At this time, in the interest of safer hunting we say once again:

"Drinking and Hunting Do Not Mix".

Card of Thanks

My sincere thanks to relatives, friends and neighbors for the lovely get well cards, gifts, flowers and visits during my stay in the Red Cross hospital at Minden. A special thanks to the nurses and staff, also Dr. Griffiths and Dr. Kemp.

I wish to thank all my friends for cards, letters and flowers received during my stay in the Red Cross hospital, Haliburton, with special thanks to Dr. Glassey, Dr. Good and the staff of the hospital whose kindness I shall long remember. Mr. William Brackenborough

We wish to extend our heartfelt thanks and appreciation for the many acts of kindness, messages of sympathy and beautiful floral offerings received from neighbors, relatives and friends during our sad bereavement in the loss of our dearly beloved wife and mother. —Jack Taylor and family.

In Memoriam

Robinson—In loving memory of my dear mother, Elizabeth Jane Robinson, who departed this life November 1, 1960:

If I had all the world to give, I'd give it, yes, and more, To hear her voice, to see her smile And greet her at my door. But all that I can do dear mother Is go and tend your grave, And leave behind tokens of love, To the best mom God ever made.

I like to think when life is o'er Wherever heaven may be, That she will be standing at the door, Up there to welcome me.

—Sadly missed, lovingly remembered by daughter Margurite and family.

Cowen—In loving memory of a dear mother, Gladys Cowen, who passed away November 7, 1957:

A wonderful mother, woman and aid, One who was better God never made;

A wonderful worker, loyal and true,

One in a million, that, mother, was you.

Just in your judgement, always right,

Honest and liberal, ever up-right;

Loved by friends and all you knew,

A wonderful mother, that mother was you.

—Lovingly remembered by son Alvin and daughter-in-law Marjorie.

Teachers' Convention

The 81st annual convention of the Haliburton, West Peterboro and East Victoria teachers was held in the Archie Stouffer Public School, Minden, October 6.

Registration took place from 8.45 a.m. to 9.30 a.m. and showed 83 present.

The president, Mrs. Harris, was in the chair and opened the morning session with a passage of scripture taken from Proverbs 4:1-7, followed by the Lord's Prayer and O Canada.

Mrs. Harris then gave a brief address.

Mr. Frank Welch representing the Minden township school area, gave the address of welcome. Mr. Welch, being a former teacher, made some interesting comparisons between conditions today and in years gone by.

Mr. Welch was thanked by Mrs. Greta Kellett on behalf of the teachers for the use of the lovely new school.

Mrs. Florence Graham then introduced the guest speaker, Mr. J. J. Henderson, assistant superintendent of public school, Scarboro. It was a privilege to have Mr. and Mrs. Henderson with us. Mr. Henderson is an extremely busy man and took time to come to address us on a subject in which he is well informed, mathematics.

Children must be trained to think for themselves, said Mr. Henderson. Public school arithmetic is very necessary for making a living. Children also should be taught to use leisure time wisely, in something that they themselves participate. A sense of wonder and curiosity should be developed. Science and mathematics are the best subjects to bring these out. Children must be self critical and self disciplined.

Children are all different. Each should become all that he is capable of doing. A high I.Q. and no ambition or desire gets nowhere. Grouping in primary grades is valuable and must be kept flexible. Acceleration can take place between grades three and five but only for top pupils and with the parents' consent.

Teach, test, diagnose, re-teach, re-test and re-diagnose to get the whole class. Often arithmetic weaknesses stem back to reading. Be sure pupils understand the language of arithmetic. Use pupils' experiences and concrete material. Drill and practice are very essential.

Arithmetic must be well taught or advance work is of no value. In giving first problems, have numbers that can be done mentally. Discuss the problems more. Mechanical arithmetic should accompany the problems. Accurate statements help problem solving. Pupils should correct problems and teacher find out why they were wrong. Accuracy must come before speed but dawdling discouraged, said Mr. Henderson.

The convention then broke up into interest groups to discuss problems in arithmetic. There were four resource persons, Mr. Henderson, Mr. Duffin, Mr. Stouffer and Mr. Anderson. One of these gentlemen accompanied each group.

At 12 noon a delicious dinner was enjoyed in the United church hall. The head

table guests were introduced by Mrs. Harris.

Mr. Hussey and a group of children from Lakeview school, Haliburton, favored the convention with some delightful musical numbers. Mr. Martin and one of his pupils favored us with an enjoyable selection on the recorder.

Mr. Ward, as a former associate, ably introduced Mr. G. E. Duffin, B.A., B. Paed., our guest speaker. Mr. Duffin is assistant inspector of elementary education for Ontario.

In return Mr. Duffin paid compliments to inspector Ward. Mr. Duffin's topic was recognizing speech defects among pupils. It was amazing to learn the many causes of speech defects. Phonics program is an important aid to speech. Simple apparatus is an aid to speech training, such as a feather to blow to make the "wh" sound and a mirror for sounds that requires changing the shape of the lips. Help children understand their difficulties. Give praise where possible. Do not correct more than once at a time. Seek parents' co-operation.

Courtesy remarks to Mr. Duffin were given by Mr. Allen Brown.

Mr. Archer expressed thanks to the ladies for a bountiful repast.

Upon returning to the school reports were heard from the different groups following up Mr. Henderson's address, after which Mr. Henderson answered several questions.

Mrs. Margaret Sisson gave courtesy remarks to Mr. Henderson in her usual pleasing manner.

The nominating committee brought forward the following slate of officers for 1961-62:

Past president, Mrs. Harris; president, Stuart Baker; vice president, Mrs. Nina Prentice; secretary, Mrs. Muriel Brown; treasurer, Mrs. Marjorie Madill; committee, Mr. Morgan, Mrs. Florence Graham, Mrs. Marjorie Fountain and Mr. John Glenn.

Moved and seconded by Mr. Kenning and Mr. Mutchmor that the slate of officers be accepted. Carried.

Mrs. Celia Brown and Mr. H. Morgan moved that the minutes be adopted. Carried.

Miss Beryl Anderson of Kinmount introduced our afternoon speaker, Miss Barbara Sibbald, consultant demonstrator for Copp, Clarke Co. who addressed us on reading comprehension versus literature, particularly teaching poetry.

Our job in literature is to develop a liking for reading.

Read poetry and prose to the children. Aim above the pupils' heads—be enthusiastic yourself.

Poetry was written for the ear, not the eye. Let the follow up work be creative drawing, finishing the story etc. Do not defeat your aim by over amounts of memorization said Miss Sibbald.

A question period followed Miss Sibbald's address.

Mrs. Celia Brown presented courtesy remarks to Miss Sibbald.

Evaluation sheets were distributed.

Adjournment was moved by Mrs. Walling and Mrs. Glassey after which a book display was examined.

MAPLE LAKE

Miss Lou Bright, Mrs. Tomlinson and Mr. and Mrs. Bud Little were at the Fountain farm for the week end.

Miss Sandra Morrison of Oshawa was home for the week end.

Mr. and Mrs. Stewart Dawson and Jean attended the Hewitt wedding in Oshawa on Saturday.

Mrs. Robert Barry and Mrs. Marjorie Gladding and Patsy Barry called on Mr. and Mrs. Jack Morrison on Sunday.

Messrs. Earl and Harold Dawson were home over the week end.

Miss Ada Gibbs of Toronto spent the week end at Coral cottage.

Mrs. Charlie Morrison entertained friends from Orangeville on Sunday.

The first card party of the season sponsored by the ladies' guild was held at the home of Mrs. John Morrison on Friday night with a good time had by everyone.

Messrs. Perry and Bryan Morrison were home for the week end.

Mrs. Vankeuran of North Bay is with the Redner's for a few weeks.

INGOLDSBY

The sunny weather of the last few weeks and the lovely coloring of the leaves brought many of our summer visitors back to spend the week end at their cottage.

Mrs. Mabel Crofts is improving her residence with a new front porch.

We extend best wishes to Mr. H. A. Baker who celebrated his 79th birthday last week.

Mr. and Mrs. Roy Emmer-son and daughter have returned from a pleasant holiday.

Mr. and Mrs. A. Burwood spent Monday last in Toronto.

Mr. and Mrs. S. McCullough of Haliburton were guests of Mr. and Mrs. Nelson recently.

(Continued from Page One)

ter Arntfield and Dennis
Bates who became patrol
leaders.

Mr. Bruce Henry paid high
tribute to Akela and Stan
Hill for the continued and
increased success of the
Cubs and Scouts under their
command and Akela presented
shields and trophy spoons
to Wolf Cub pack "White
Plume" which had disting-
uished itself during the year
under the leadership of Tim
Casey.

Mr. Henry thereupon called
on Ray Arntfield to come
to the front of the room and
presented him with a gold
"thanks badge" for his interest
and work on behalf of
the group in Haliburton. In
replying, Ray poked some
fun at his friend Bruce but
it was evident that he was
deeply moved by the kindly
action of the Cub and Scout
executive and leaders.

Clayton Hodgson address-
ed the boys calling for their
continued loyalty to their
leaders after which Stan Hill
introduced Johnston Bailey
and Peter Arntfield who told
the gathering of their trip
to the Canadian jamboree at
Ottawa. It must have been
a most interesting week for
the boys . . . one which will
long be remembered by the
three who were permitted to
take part.

The meeting came to a
close with a well earned tri-
bute to Mr. and Mrs. Henry
for their generosity and
singing of O Canada.
